

The Eye of the Storm – Part 2

(Pray)

The reality for every believer:

1. God will deliberately put you in the storm. [Mar 4:37](#) [Luk 8:23](#)
2. You have to go through (don't try to get out or you will have to repeat the lesson again) [Psa 23:4](#)
3. It is the internal state of existence that is more important than the external, one thing that God is trying to show you in all of this. He is working on you inside [Mat 23:26](#)
4. The storm takes on many different forms. Natural, physical, Spiritual ...

What to do?

1. Look to Jesus rather than to the circumstances [Psa 107:29](#)
2. Stay in step with Him (John 10:10)
3. Don't try to get out of it with your own thinking, or by depending on man [Psa 118:9](#), [Psa 146:3](#), [Prov 14:12](#), [Prov 16:25](#)
4. Ask the Holy Spirit why you are in the situation (know what is going on in spiritual terms) ... if there is a lesson to learn and you don't ... you'll have to do it again. God is bring you and I to a place of spiritual maturity in Him. He knows your inner state.

What is the eye of the Storm?

A place of peace in the midst of adversity, what Jesus promised those who He would give his peace. (Tornado and the piece of straw, section of a house, closet, etc.) ... God is all knowing. [Exo 8:22](#), [Exo 9:26](#)

The Peace that Jesus Gives [Joh 14:27](#) (quietness, rest, internal serenity)
Goes inline with His Kingdom [Luk 17:21](#)
