

Kingdom Living

Dan 2:1-45

That has happened in part, the rock is Jesus (vs. 44-45).

Those who serve the idol are destroyed along with it. Such is the case of most religious leaders around the world and numerous institutions, etc. all builds out of the Babylonian system. The only thing left standing and solidly strong at the end of this whole thing is the Kingdom of God.

Dan 4:31-37 God decides to B!+@# Slap the head of gold and remind him of his place; restores his sanity and position before he dies and so he can give glory to God. The modern kings have slipped much further than Nebuchadnezzar and the B!+@# slap is once again on the way ... BIG TIME.

Living for I AM. He is right now! Don't get off track or off balance.

As Kingdom People How do We Live?

1. In connection (John 17:3) and flexible to what He is doing. I've noticed that he will do a lot of things to break us of our religious bondage and so we learn to trust and just walk in connection with His voice. (Rev 2-3) Three things 1. Him (individual) 2. Has an ear, let him hear what the Spirit says to the Churches, 3. To Him that Overcomes.
2. Committed to it **Mar 9:47 ... ultimately**, on your way to die (Matt 8:34-) AND in Abundant Life!
3. As a child **Mar 10:14-15** Notice that all true kingdom people are very childlike, and they TRUST Him Completely and totally as they walk through life.
4. Not attached to this world or Material Possessions **Mar 10:24**
5. As those who have been set free!!! **Luk 9:60** YOU are alive so LIVE life!!!
6. Live from Within (Luke 17:20-21) not from without or your external circumstances.
7. Live in Righteousness, Peace and Joy in the Holy Spirit (Rom14:17) and Power (1 Cor 4:20)

Prepare yourself for the Task at hand and the trial which comes with the walk.

Disciplining Mind, Body, Spirit and understanding what you are in the middle of. This takes dedication, commitment and courage. A work of the Holy Spirit and not something that anyone can do on their own.

Find and encourage the true brethren and let the dead bury the dead.

Realize that is not your job to fix everything, nor is your life success or failure dependent on you doing that.

Don't lose sight of the goal and the desire at hand, to Know Him (John 17:3)

Diminish the goals, desires, urges, hopes, dreams, expectations of life into their proper place and proper order. Then leave them at the feet of Christ Jesus. Without that it will become an Idol and you will look to try and make God be a source to fulfilling your own disguised lust (which if you got it will ultimately leave you empty and unfulfilled). It is the blessing of God to many times NOT get what it is that you thought you wanted.

Discussion about the role of men and women:

The matriarch woman with a jezebel spirit can't exist without the world system in place that substitutes for the role of the man. And she needs to be able to manipulate that for her own ends to remain in control ...

Men by the world system are twisted.

Roles and responsibilities:

EPH 5:1-33

Protector:

Zech 12:8, Luke 4:10

Provider:

1 Tim 5:8 (God is the ultimate example, recreated and mimicked in men)

WHY the roles and responsibilities? Because of the strength of the family and God's intended purpose there. Gen 14:14
