

## Understanding the Provision of God

### (Pray)

Overcoming the Storm (Global NEWS)

**Joh 3:5-8**

How does this work in relationship to God's provision?

**Mat 6:24-34**

Does it make sense that God's provision would flow with those who are in step with him?

**Exo 16:1-3**

ON the 15th DAY!!!

Think of what they had just come through:

- The Plagues in Egypt
- Passover
- The Red Sea ... HOW Quickly People can forget the goodness of God!

Vs. 3, you have to feel the need before you can appreciate the miracle. You also have to come to the point where unless God does something you are finished! (But the key is to be following Him so that you are spiritually in the correct position to be able to receive the promises of God).

V.20 ... despite being in the miracle they still don't believe God.

V.24 ... Miracle Bread ... Didn't perish, when it usually would (God can preserve anything, make things last, multiply, rain down, make the water come out of the rock, fish in the nets, the axe to float, etc.)

Lessons to learn with God's provision:

1. For His people, God gives the need when it is needed. (No manna while they are in Egypt for a very good reason) ... also realize that the world would be perfectly happy if you were to die in the desert when you choose to leave their system and their kingdom. The world takes care of its own; God takes care of His own. And right now the world is running out of resources! So the world will have to kill off some of the expendable people in its system.
2. Do what he says!!! How many people say MORE!!!!!!!!!! (It rots, is not there, 1/2 gallon is enough) ...
3. Learn to flow with the Spirit of God in what he is doing. There are seasons with God; you need to know how to adjust accordingly.

**Gen 41:25-41**

QUESTION? Did they try to pray away the famine? **(Act 11:28-30)**

No they did not; they worked with what God is doing and fell into line with what He was saying to his people.

WE live in a time of horrible rejection of God and truth. Even Pharaoh was smart enough to realize that he didn't have the answer and to appoint the servant of God (Joseph) to do the job. The people of God are ALWAYS the ones with the right

answer cause it flows from the source. But what they have to offer is sought only as a LAST RESORT!!! Otherwise, they'd leave you in the dungeon to rot.

Today, rulers no longer fear God. They feel they can fix their problems themselves. They REFUSE to humble themselves and so destroy themselves and their people in the process.

God's Provision works on numerous levels. Based upon the willingness of the authority structure that is put in place and if they are yielded unto God.

1. With the Individual
2. With the family (provided that the father is in line with God)
3. With an organization
4. With a town or City
5. With a Nation

Gal 5:22-23 when a person has Faith/Trust in God they come under the authority and protection of the rightly divided Word of Yah (a.k.a. the promises of God). And those under that person's area of responsibility benefit from the overflow of that blessing in a person's life.

The reverse goes for Wickedness, those under them suffer! (1 Kings 16, 18 - Ahab) HOWEVER, God is able to isolate and care for those who are His within that situation. Pockets of provision. That is what the Body of Christ is now it around the world!

Eagles in this last age! [Mat 24:28](#)

[Mat 24:28](#) For<sup>G1063</sup> wheresoever<sup>G3699 G1437</sup> the<sup>G3588</sup> carcass<sup>G4430</sup> is,<sup>G5600</sup> there<sup>G1563</sup> will the<sup>G3588</sup> eagles<sup>G105</sup> be gathered together.<sup>G4863</sup>

Exceptionally isolated in this last age of time, have to be willing to go at it alone. We gather with others around the fresh meat of the word of God and He is our daily bread, our provision and our sustaining throughout the end of the age.
