

## **Sermon - The Reversal**

(Pray)

Exodus 3:1- (Background; The Burning Bush)

God has an appointed time for everything (and it is not our time).  
There is a way, and a TIME that seems right to a man (Prov. 14, 16). Anything done detached from Christ leads to death.

John 15, unless you are in the vine you are detached and die. In the vine you grow as the Spirit wills. [1Co 3:7](#) (God gives the increase according to His timing and purpose).

- The Old Man (murder) becomes the deliver
- The Slaves become free
- The powerful become weak
- The gods worshipped yesterday becomes the plagues of today for those who served them
- The power of God is manifest (it was always there) and God is glorified

We are living in the time of the reversal Globally!

You and I will see it with our own eyes even as the people of Goshen did in the time of Moses.
