servants to commit fornication, and to eat things
sacrificed unto idols.

The wounded Head of the Beast

- When the Reformation started, that horn, which had been elevated to become, or replace the seventh head over the Roman Imperial government.
- The Head was wounded, when the Reformation started, and during the period of reformation , and by the time Reformation was coming to a close, Power of papacy in Europe had been wounded.
- For a period of time the pope just became only a figurehead without power for a short time in Europe.
- All these Ten horns of Europe are now belong to the European Common Market (European Union).

The Evil Deeds of the Little Horn

- When the time came, that little horn that had eyes like a man, and a mouth speaking great things, began to speak, humanity was in for a different kind of rulership.
- The pope of Rome the little ecclesiastical horn began to the next to exalt his position, and he had the eyes of a man.
- The Pope can see and appraise his position, and what one would see is passed to the next one that takes his place.
- The little horn gets bigger, more powerful and more aggressive. And it was the orders of the pope Emperor of Rome was doing. Now it is also the order of the Pope all the Political Leaders of Europe (Who are Catholic) carrying out.
